JAUNDICE PREVENTION MEDICAL CAMP IN GANGAIKONDAN

Tirunelveli-Sep 15:

Tirunelveli district, Gangaikondan this Wednesday, a medical camp was set up for jaundice prevention for children who are over 12 years.

School Principal Mr. Jayasubramaniam is the chief guest for this camp on behalf of South India bottling company, Tirunelveli Shipa Hospital, Gangaikondan Government Higher secondary school.

Over 860 people from villages around the camp brought their children for the medicine.

In this camp, Lions club President Mr. Manohar, Parents-Teachers association secretary, Mr.N.Narayanan, Highways Department Engineer, Mr.Mandhiram, Traders association President, Mr. Nadalingam were hosted at the event.

The arrangements for this camp had been made by National Service Scheme Mr.S.Subhaiya, Advisor, Mr.M.Kamalasekaran and others.
